## Sydney Team 2017

Thank you to all players and parents for your participation in the program so far. Congratulations to those players selected – please send an email to [luke@mccormack.co](mailto:luke@mccormack.co) accepting your position in the team, and highlighting whether you have any injury concerns.

To those players who missed selection, continue to play and train hard at your club/school – you will have plenty of opportunity in the future. We ask that you continue to make yourself available as shadow players should you need to be called into the squad prior to the game against Country (due to injury/misadventure).
